I understand that the commitment for the Musical Babies (birth-16 months) Musical Beginnings (ages 1 ½ to 3 ½ and parent) and Growing with Music (ages 3 ½-5 and parent) is for one semester. I understand that my participation as a parent is crucial to my child's growth and learning, that home participation with the CDs are part of the curriculum, and that the music classes are a non-performance based activity. I understand that my financial commitment is for an entire semester regardless of my participation. Enclosed is my materials and tuition payment of \$_____ which will secure my place in class.

Dear Young Artists Families,

Thank you for your interest in the Young Artists Music Studio! Enclosed is the registration sheet for fall classes. Just send the registration/materials fee with your registration form and circle the class in which you are interested. You may send the entire amount—registration/materials and tuition if you like; otherwise the tuition will be due (full or half payment) the first day of class.

Classes are filled on a first-come, first-served basis from last spring's list first and then from new friends. If there are openings I will then advertise to the public. The first classes will be September 28/29 and the location is again Trinity Presbyterian Church in Harrisonburg.

Tuesday classes taught by Julia White

5:40 – 6:10 pm **Musical Beginnings** (ages 1 ½-3 ½ and parent)

Registration/Materials: \$35.00

(\$15 for family repeating class who has materials)

Tuition: \$134.00 (12 classes in semester)

6:20--7:00 pm **Growing with Music** (ages 3 ½-5 and parent)

Registration/Materials: \$42.00

Tuition: \$139.00 (12 classes in semester)

NOTE: The Growing with Music class, in addition to having a take-home craft every other week, will have a special focus on birds this year. On the alternate weeks from the craft, we will study a bird, hear its call, and talk about its appearance, habitat, and behaviors. The children will take home a bird coloring page. We will continue our regular songs, games, and dances, in addition to learning note and rhythm reading, composition, solfege, and instruments.
