I understand that the commitment for the Musical Beginnings (ages 1 ½ to 3 ½ and parent) and Growing with Music (ages 3 ½-5 and parent) is for four weeks of May session. I understand that my participation as a parent is crucial to my child's growth and learning and that the music classes are a non-performance based activity. I understand that my financial commitment is for four weeks regardless of my participation. Enclosed is my materials and tuition payment of \$_____ which will secure my place in class.
