

Spring 2012

Dear Young Artists Families,

Thank you for your interest in the Young Artists Music Studio! Enclosed is the registration sheet for fall. Send the registration/materials fee with your form and circle the class in which you are interested. You may send the entire amount—registration/materials and tuition if you like; otherwise the tuition is due (full or half payment) the first day of class.

Classes are filled on a first-come, first-served basis from last spring's list first and then from new friends. If there are openings I will then advertise to the public. The first classes will be January 31/February 1 at Trinity Presbyterian Church in Harrisonburg.
